Dear FCC:

I am writing to complain about the proposed changes to the
Universal Service Fund
and requesting that the FCC investigate this matter further
before changing the
current policy. Your proposed \$1.00 per month charge for
all wireless phones will
directly impact my ability to retain my wireless service.

I do not think it is fair to charge EVERYBODY \$1.00 dollar
regardless of how they
use their wireless phone, especially for a low-volume user
that relies on wireless
service for safety and security, not interstate calls. The
current policy is fair,
based on interstate usage, and should be left alone. Please
do not penalize us. Keep
this fair.

Thank you for your prompt attention to this matter. Please
provide a written
response indicating the status/resolution of this matter.

Very truly yours,

Deborah Kimball
